Current Date: 16-Feb-2015

TE Connectivity

Product Change Notification: P-15-011181

PCN Date: 13-FEB-15

Customer: Future Electronics(0000080100)

Location: WORLDWIDE

Agreement: Agreement Unknown

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

ES CAP Additional manufacturing capability

Description of Changes

Please note this PCN is in addition to PCN P-15-011139. It was noticed that one of the part numbers referenced in the PCN-15-011139 was incorrect. The New part number linked to Part Description ES-CAP-NO.3-B8-0-40MM should be EG41086001. The attached bulletin has been updated with the correct part number.

Other attachments:

[Extended Manufacturing Capability of ES-Cap Heat-Shrink Tubing](#)

Reason for Changes:

Document clarification.

Estimated Dates:

Last Order Date (Obsolete Parts Only):

First Date To Ship (Changed Parts Only):

23-FEB-2015

Last Ship Date (Obsolete Parts Only):

Last Date for Mixed Shipments: (Changed Parts Only):

No Mixed Shipments

Type of Notification	Extended Manufacturing Capability of ES-Cap Heat-Shrink Tubing
-----------------------------	---

Issue Date	Notification No.
13-Feb-2015	ES-CAPS

Description of Change
<p>Dear customer,</p> <p>This notification is to inform you that as part of our continued investment and commitment to improve customer service, TE Connectivity has increased manufacturing capacity and capability for the ES-CAP product family.</p> <p>An additional manufacturing capability has been implemented in Europe within our Heat-Shrink Tubing Manufacturing plant based in Trutnov, Czech Republic. This additional capacity will deliver manufacturing contingency along with a regional supply route. Products that will be manufactured in the Czech Republic are qualified to the same TE release specification RW-3006. Form, fit and function of these products do not change. The transfer follows a TE internal strict procedure, which fully maintains quality, ability to supply and form-fit-function as specified by TE of the products within this PCN.</p> <p>The new manufacturing location operates under an ISO/TS-16949 certified quality management system in accordance with standard automotive requirements.</p> <p>To aid implementation the product descriptions will remain the same, however different part numbers will be used to ensure traceability and manufacturing routing. Please see the details in appendix A. Samples and PPAP can be requested at the following email address: ppap.trutnov@te.com , IMDS submission are available from IMDS@te.com.</p>

Products Affected
Please see appendix A

Additional Information
<p>TE Connectivity believes this additional capacity of manufacturing in the Czech Republic will not affect the form, fit or function of the products as specified by TE Connectivity. If you require a PPAP, please notify the responsible TE Sales Contact within 14 calendar days after receipt of this PCN.</p> <p>TE Connectivity will reserve the right to supply the ES-Cap Heat-Shrink Tubing to its customers concurrently from the current Menlo Park, US and Trutnov, Czech Republic locations. TE also recommends our customers to conduct their evaluation for the specific applications where these products are designed, should that become necessary.</p>
