To: All customers using MS and HS Long-Range Handheld Transmitter products

Re: Product change notice

Dear customer,

Linx Technologies is announcing a change in operation of the MS Long-Range Handheld Transmitter products.

The battery holder used in the product is being changed to a through hole mount design.

We are committed to working closely with our customers regarding this change. Please contact Linx Sales or Customer Service should you have any questions or concerns.

Product Change Notice for all MS and HS Long-Range Handheld Transmitter products

PCN #: LPCN-150130-1

Publish Date: January 30, 2015
