Approval request for change of manufacturing site

It is our great pleasure to serve you and we appreciate your kind support that you always render to us. We intend to provide our customers with products that satisfy customer's requirements and expectations and we are making best effort to achieve this objective.

Regarding Wound Chip Inductors BR/CBM/LBM/MB series[One surface electrode inductors] , manufactured in WAKAYAMA TAIYO YUDEN CO.,LTD. now, improve business efficiency by change of our manufacturing site. The following is the details of the change of manufacturing site. We appreciate your understanding and approval on this matter.

1. Manufacturing site

TAIYO YUDEN (PHILIPPINES) INC.

Current main manufacturing items:

- Multilayer Chip Inductors for High Frequency Applications (HK1005, HK1608, HK2125 series)
- Multilayer Chip Bead Inductors (BK1005, BK1608, BK2125 series)
- Multilayer Chip Inductors (LK1005, LK1608, LK2125 series)
- SMD Power Inductors (NR series)
- Wound Chip Inductors(CB/LB series)

2. Additional item

Wound Chip Inductors BR/CBM/LBM/MB series[One surface electrode inductors]

3. Additional process

All process (Terminal Forming to product shipment process)

4. Shipping start date

Planned to start shipping in Dec. 2017.
(After receiving customer approval)

5. Reason

Improve business efficiency regarding our whole chip inductor products by change of our manufacturing site.

6. Manufacturing conditions and quality

The equipment, materials, manufacturing system, and control terms shall be all the same as those of WAKAYAMA TAIYO YUDEN CO.,LTD. Quality Assurance Division of TAIYO YUDEN CO., LTD. shall guarantee the quality of products to be manufactured.

7. Approval request

Your understanding on this matter would be greatly appreciated.

We would like to request your approval of this production site change.
