

End of Life Notification

September 19th, 2017

Overview

Silex Technology is dedicated to providing our customers with high quality, long life products. Unfortunately, we are forced to end of life (EOL) products as our suppliers discontinue a critical component(s) used to produce the devices.

Silex regrets to inform you that the following part numbers will be affected:

Affected Part Number:

SX-SDMAN2-2830C-SP	SX-SDMAN2-2830S-SP	SX-582-2700-WWR	SD-320AN-US
SX-SDMAN2-2830C	SX-SDMAN2-2830S	SX-582-2700-SP-WWR	SX-582-2700-US
SX-SDCAN2-2830-SP	SX-SDCAN2-2830	SX-582-6900 -WWR	SX-582-2700-SP-US

Reason:

The QCA6234 radio chip that is used on the module has been discontinued by Qualcomm, the manufacturer for the part. As a result, we are forced to EOL the SX-SDMAN2 radio module, and subsequent products (mentioned above) that use this part.

EOL Schedule:

Last Order Date: 01/19/2018 Last Shipment Date: 1/18/2019

Please review your requirements for these products so that a last time purchase may be scheduled. The dates listed above indicate the last opportunity to purchase these products and request shipment. Orders will be reviewed upon receipt and are subjected to material availability before sales order confirmation. The PO terms are non-cancelable, non-returnable and not to be rescheduled.

We have replacement Wi-Fi module that you can transition to. Please contact your Silex Territory Manager to discuss options for your specific situation.

Product name	Interface	Wireless standard
SX-SDMAC-2831C	Wi-Fi Plus Bluetooth SDIO Module (B2B)	IEEE802.11a/b/g/n/ac BT4.2 +LE
SX-SDMAC-2831S	Wi-Fi Plus Bluetooth SDIO Module (SMT)	IEEE802.11a/b/g/n/ac BT4.2 +LE
SX-SDMAC-2832S+	Wi-Fi Plus Bluetooth SDIO Module	IEEE802.11a/b/g/n/ac BT4.2 +LE
SX-SDCAC-2830	Wi-Fi Plus Bluetooth SDIO Card (SD Card Form Factor)	IEEE802.11a/b/g/n/ac BT4.2 +LE
SX-590-2700	Serial/Ethernet to Wi-Fi Module	802.11a/b/g/n/ac

We regret any inconvenience this announcement may have caused you. We are committed to making the transition as smooth as possible.

Sincerely,

Silex Technology
