TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

## General Product Description:

AMPSEAL Socket terminal 770520

## Description of Changes

The company logo marking on the current stamping die that produces part numbers 770520-1 and 770520-3 will be changing from AMP to TE1. Two new stamping dies are being built and released for production. The first die will run internally to TE and will be marked with TE2 and the second die will run externally to TE and will be marked with TE3. The new internal die will run part numbers 770520-1 and 770520-3 and the new external die will run part number 770520-1. There will be no change to the material or stamping process with the release of these dies

## Reason for Changes:

This product line has seen extensive demand increases from our customer base. This demand is outpacing the current capacity and has impacted on-time deliveries. TE is investing to ensure that the current situation is corrected, as well as for the future, consistent with our goal of on-time delivery of defect free products
