Subject: Discontinuation Notice  
Philips Fortimo DLM Gen5 Modules

Date: October 12, 2018

To our valued OEM customers,

Please be advised as of the date of this communication we will no longer be producing new units of the DLM Gen5 and will only accept orders for existing stock.

Description of change: Discontinuation of manufacture of remote phosphor CRI 90 DLM solution

Reason for change: Unavailability of components for production. The table on page 2 provides information regarding the old and new generations of Fortimo DLM portfolio.

If there are any questions, please contact your Key Account Manager or Business Development Manager.

Sincerely,

Ali Qureshi  
Product Manager
