Agreement: Agreement Unknown

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Tubing products impacted by new Prop 65

Description of Changes

This PCN is to inform our customers of additional labelling on some Tubing products. The requirements of the Proposition 65 (Prop 65) a Californian Safe water and Toxic Enforcement Act of 1986 now requires that we warn customers that some of our tubing products contain Antimony in the material make up. This requirement only applies to customer in California. However, as TE cannot predict which products will arrive with customers in California we have to label all Antimony containing products, of course these products will be delivered also to customers outside of California. No Action needs to be taken by our customers outside of California unless the products you receive are directly being forwarded through the supply chain to further customer in California USA in which case the warning must accompany the product. Please share this information with your colleagues so they will also be informed.

Reason for Changes:

Product improvement.To comply with Californian Prop 65 regulations.
