### Notice: #190508 Change of Product Ripple Specifications: Select V300 (Maxi) Modules

#### To Our Valued Customer:

We appreciate your use of Vicor products. Our commitment to customer satisfaction is demonstrated by our notification to you of the following change.

#### Description:

As a result of component obsolescence by a semiconductor manufacturer the ripple specifications on certain Maxi modules will either increase or decrease as we convert module designs to replacement devices. The component changes will have no further impact on form fit or function on the modules.
