Reason for Changes:	
Product Improvement. Dear Customer, we hereby inform you of this change. The change is necessary to help our manual assembly lines to make a visual distinction between E-seal and N-seal grommets. This change affects form only (grommet color). The change does not impact performance. IMPORTANT: The current and previous revisions of these parts can be used interchangeably in the field. The change(s) are being phased in gradually and previous revision can remain stocked until use. Shipments of both configurations may be mixed.
