

Customer Notification

Dear Customer,

I want to make you aware that on November 26th we announced the closure of TE Connectivity Data & Devices Shanghai East manufacturing facility with targeted completion by May 2020. This decision is the result of our ongoing footprint evaluation and the need to streamline operating efficiencies and align manufacturing resources.

During this transition our commitment to you remains unchanged. The impacted operations currently taking place in Shanghai East manufacturing facility will be transferred to other Data & Devices manufacturing facilities in China. We are focused on meeting our commitments to scheduled shipments and mitigating any possible disruption to you.

Thank you for your business and your continued trust in TE as a partner. Please don't hesitate to reach out to your TE sales representative if you have any specific questions about this facility closure.

Regards,
