DESCRIPTION OF CHANGE			
<p>Change of branding, labelling and marking of IDT products as part of the rollout of the Renesas brand following Renesas' acquisition of the Integrated Device Technology, Inc. group including, without limitation, its wholly owned subsidiary IDT Europe GmbH ("IDT") in March 2019, as announced with customer letter dated February 18, 2020.</p> <p>IDT Europe GmbH will replace IDT Name/Logo with Renesas Name/Logo on packaging material, shipping documents and labels effective April 1, 2020. As part of the system integration into Renesas, IDT Logo/Name will be removed and replaced by the Renesas Logo/Name on the packing box, shipping label and shipping documents.</p> <p>Please refer to line <i>Documentation</i> below for example of logo/name replacement.</p> <p>During the transition period, customer may receive shipments with either logo/name on the <u>inner boxes or labels</u> after the effective date, until such time the inventory has been depleted.</p> <p>The <u>outer shipping label and shipping documents</u> (e.g. COC, invoice, packing list, etc.) will transition to the Renesas logo/name on the effective date.</p> <p>The change is on Logo/Name only. There is no impact on fit, form, function, quality, reliability and environmental compliance of the products. In addition, there is no change on top mark for existing products as well.</p>
