		ECN/EOL NO.	20200424001	
ECR/ECN/EOL	<input type="checkbox"/> Engineering Change Request <input type="checkbox"/> Engineering Change Notice <input checked="" type="checkbox"/> End Of Life			
Change Type (EOL NA)	<input type="checkbox"/> process (PCN) <input type="checkbox"/> material <input type="checkbox"/> documents <input type="checkbox"/> others			
Change Reason (EOL NA)	Due to Hannstar LCD supply EOL, ATM0500D13 series EOL			
EOL action	Replaced by ATM0500D19 series			
Effective Date (EOL NA)		Time/Lot control	<input type="checkbox"/> Temporary (From to) <input type="checkbox"/> Perpetual	
Description of Changes				
Before Change		After Change		
Hannstar LCD with relative design		CMI LCD with relative design, same outline dimension and interface with ATM0500D13 series, different driver IC from ATM0500D13 series. For most cases they're plug & play replacement, but in some case there could be HS/VS setting issue, need software change, please test ATM0500D19 series sample to confirm the compatibility
