**To:** Pcn System <Pcn.System@FutureElectronics.com>

**Subject:** Silex PCN for SX-ULPAN Ultra-Low-Power Wi-Fi Modules

**Dear Valued Customer:**

Thank you for your business and continued interest in Silex Technology's wireless modules. This letter is to inform you there has been a production status change to the SX-ULPAN Family of our IoT modules for the SKU's listed below.

The products included in this document have been revised to "Not Recommended for New Design" or "NRND". NRND is a production status classification. It is not an EOL, rather NRND represents the period between Mass Production and EOL. In most cases, NRND addresses the natural decline in market sales/profitability but may identify a consolidation of the product portfolio as well.

NRND items are still supported by Silex Technology in mass production; however, long term support is not guaranteed nor are these items recommended for new designs. EOL and LTB Dates have not been established at this time; however, Silex Technology will distribute separate EOL Notices when this occurs. Silex Technology is committed to working closely with you to minimize any impact this change may have.

**Affected Part SKU's:**

SX-ULPAN-2401	SX-ULPAN-2402	SX-ULPAN-2404
SX-ULPAN-2401-SP	SX-ULPAN-2402-SP	SX-ULPAN-2404-SP
SX-ULPAN-2401-EVK(US)	SX-ULPAN-2402-EVK(US)	SX-ULPAN-2404-SHIELD(US)
SX-ULPAN-2401-SHIELD(US)	SX-ULPAN-2402-SHIELD(US)	SX-ULPAN-SB-2401
SX-ULPAN-SB-2401-SP		

**Schedule:**

This is effective as of today, May 11, 2020. Silex has alternative IoT radios that we recommend. Please contact your Silex Territory Manager or Silex Sales for more information on our other IoT radios. North America: [sales@silexamerica.com](mailto:sales@silexamerica.com)

Europe: [sales@silexeurope.com](mailto:sales@silexeurope.com)

Sincerely,  
Silex Technology
