Introducing the new corporate logo design on Renata's lithium CR batteries

Itingen, Jul 2020

Dear customer

We are proud to announce that the following Renata lithium batteries are getting some esthetical update. They will be running change.

Renata Part name:

CR1025
CR1225
CR1616
CR1620
CR1632
CR2320
CR2325
CR2430
CR2450N
CR2477N

The most important change is the fact that "RENATA" will appear in the same font as our corporate identity logo. RENATA → **renata**

Your biggest advantage is that Renata's batteries become even more recognizable at first glance. Therefore it will be easier to identify imitations.

The following are the examples of the change samples for your reference:
