

**Subject:** Delistment of Select Advance Indoor Drivers

Date: July 17, 2020

To all North America lighting manufacturers,

The Advance portfolio is undergoing continuous review and consolidation where possible to allow us to provide the most cost-effective products to our customers. The table on the following page indicate the products from Signify that are being obsoleted with the intended last order date as shown. They will be replaced by their proposed alternatives.

Orders for the delisted drivers will be accepted until the dates listed in the table per SKU. No returns of unused affected product will be accepted.

If you have any questions, please contact us.

Sincerely,

Product Management and Product Marketing
