

To: Customers

<p>TMJ Product Change Notice PCN Tracking Number: TMJ-PP-1436</p>

**Subject: 8.4-inch VGA and 10.4-inch LCD
Addition of Akita plant as TFT panel production plant**

1. Applicable products

Size	Resolution	Type name
8.4-inch	VGA	Please see page 3/4.
10.4-inch	VGA	

2. Change description

TMJ will add Akita factory as additional TFT panel production plant. Please see page 4/4.

Note1, Note2

Production process	Current	After change
TFT panel production	China	Akita and China
Module assembly	China	China

Note1: There are no optical or electrical specifications change and no changes in product reliability.
And there will be no influence on UL approval and RoHS compliance.

Note2: Module assembly at Akita for the special tariff will continue as before.

3. Reason of change

In order to better service our customers and respond to changing market conditions, TMJ will add Akita factory as additional TFT panel production plant for stable supply of products.

4. MP Schedule

It will be applied from April 2021 production.

5. Product revision

No product revision will be changed.

The change will be controlled by S classification.

6. PCN samples to customers

Purpose of this change is to secure additional supply chain resources for improved production support.
Therefore, there will be no PCN samples.

In case there are any questions, please feel free to contact sales or sales representative of TMJ.
