## Product Change Notice (PCN)

February 2, 2021

### **Product Discontinuation Notice for Inrush Current Limiter NTCs (Power Thermistors)**

Dear Valued Customers and Distributors:

Littelfuse, Inc. would like to inform you of the discontinuation of several inrush current limiter NTCs (also known as power thermistors) due to low demand for more than four years.

- We can only accept a last time purchase order for these products until **May 3, 2021**
- We will cease the manufacture of these products from **August 1, 2021**

Please see Appendix A of this letter for the list of part numbers being discontinued. Unfortunately, there are no replacements.

Please contact your Littelfuse sales representative to make arrangement for a last time buy order for the affected part numbers. All last time buy orders will be **non-cancelable** and **non-returnable**. Last time buy orders may be subject to larger minimum order quantities to support final manufacturing runs.

This notification is for your information and acknowledgement. Please respond to us by **March 2, 2021** to acknowledge receipt and understanding of this discontinuation notice. If we do not hear from you by the above-mentioned date, we will expect that this discontinuation notice has been accepted and that no further action is required.

Should you have any questions or require additional information, please contact your local Littelfuse sales representative.

Sincerely,

Tim Patel  
Global Product Manager – Temperature Sensors  
Industrial Business Unit  
Littelfuse, Inc.
