TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

The following assembly parts will have a location change in China

Description of Changes:

Manufacturing location change: The following parts will be transferred from TE China Suzhou LPZ (1162) to TE China Suzhou K2 (1043). Please noted: This change is only for China manufacturing production line location change.

Reason for Changes:

Dear Customer, we hereby inform you about a transfer of tools and/or processes. The transfer follows a strict procedure, which fully maintains quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location operates under a certified quality management system in accordance with standard automotive requirements. A TE-internal release test based on the relevant part specifications will be executed before delivery. Upon request, a PPAP Level 2 will be available if it concerns a transfer of the assembly line which produces a finished TE-product. A PPAP Level 1 will be available if it concerns a component of a TE-product, where the production location

of the finished TE-product remains unchanged. If you require such a PPAP, please notify the responsible TE Sales Contact within 14 calendar days after receipt of this PCN. Also you could apply your PPAP request on the e-PPAP system. Thank you for your support and understanding!
