The full reliability of the PCN-Products is not proven yet.
- 2.2 Distributor accepts that the PCN-Products are not intended to be used for life endangering applications such as medical, nuclear, military, life critical applications or in any other application where failure of PCN-Products or any results from the use thereof can reasonably be respected to result in personal injury.

- 3.3 Notwithstanding the provisions set forth in Sect. 3.1 and 3.2 and without extending the agreed warranty terms between Infineon and Distributor, Infineon agrees to refund to Distributor the purchase price for the PCN-Products in case Infineon advises Distributor not to use PCN-Products as a result of the failure of the qualification. Any further warranty/liability of Infineon shall be excluded.

4. Limited Liability

- 4.1 Distributor accepts that the entire risk arising out of the use of PCN-Products for any purpose for which the PCN-Products are not intended, lies on Distributor and that Infineon disclaims any liability arising out of or in connection with the provision of PCN-Products to Distributor, irrespective of the legal ground. Distributor specifically accepts that he shall indemnify Infineon from any third party claims based on any use of the PCN-Products in contrary to this Agreement.
- 4.2 The exclusions of liability provided for in Sect. 4.1 shall not apply in case of a willful misconduct of Infineon or in any other case where liability is mandatory at law.

5. Additional Obligations for the sale of PCN-Products by Distributor to its customers

- 5.1 Any distribution of PCN-Products by Distributor to any of its customers shall be subject to the conclusion of an agreement between Distributor and such customer with terms and conditions basically consistent with those contained in this Agreement.
- 5.2 Distributor grants Infineon the right to audit or to otherwise verify Distributor's compliance with the obligation set forth in Section 5.1.
