Reason for Changes:

Product improvement.Improvement for work-efficiency and reduction of waste. Current packing form is small size and every time full of the products, and there is the inefficiency in packing process and sometime it is occurred damage in the box. Through set the proper carton size, this issues can be improved and waste can be reduced. There is no changing of products. If you have any questions, please contact Sueta, Hiroshi sueta.hiroshi@te.com.
