To: ALL FIELD

Date: 15-Apr-22

Notice Number: MCL20220415A

Subject: PRODUCT CHANGE NOTICE

CEL is now making it's CMP9010-1/1C industrial grade temperature, therefore, we will be discontinuing the CMP9010-2-R, CMP9010-2-B, CMP9010-2C-R, and CMP9010-2C-B. This will simplify ordering and reduce the number of SKUs that need to be marketed, sold, and inventoried. This notification is to inform CEL customers that CMP9010-2 modules will be discontinued effective 4/30/22.

No Last Time Buy order will be offered since we haven't sold any of them.
