Subject: SX-590 Series Design Change (Component EOL)

This letter serves as a "Product Change Notification" to inform you that a component will be changing in the below products.

SX-590-2700(US)	SX-590-2700(EU) SX-590-2700-SP(EU)	SX-590-2700(WWR) SX-590-2700-SP(WWR)
------------------------	---	---

Description of Change

Components	Maker	Model #	Alternative	Model #
Connector	Kyocera	24-5602-640-000-829H+	Kyocera	24-5804-040-020-829+
MOSFET	Toshiba	TPC6113(T5L,A,F)	ROHM	RQ6C050BCTCR

1. **Kyocera connector:** The circuit design will be changed to accommodate the new connector. This does not affect the size of the product.
2. **Toshiba MOSFET:** Silex confirms this change will not affect any quality and characteristics.

Impact of Change:

These changes will not affect product size, quality, performance, or wireless certification.

Schedule:

This change will be implemented in all shipments beginning January 2023 onwards. Please contact your account manager for more information and the next steps in managing this change.

Silex appreciates and values our business relationship and looks forward to your continuous support. We regret any inconvenience this announcement may cause to your operation. We seek your kind understanding and co-operation towards a smooth transition.

Please contact your Silex Territory Manager or Silex Sales if you have any further questions.

- North America: sales@silexamerica.com
- Europe: sales@silexeurope.com

Sincerely,

Silex Technology
