# Standardization of lot number format Information Package INF 037/22

May 2022

- restricted -

## Background, objective and implementation duration

---

### Background:

- › All lot number format shall be standardized into IFX standard format

### Objective:

- › Harmonize and standardize the lot number format across all external production partners

### Implementation duration:

- › This change is expected to have multiple phases, beginning August 2022 and will last until end of 2023.
- › There may be situation that customers receive both current and new lot number formats, in same packing material, as all existing inventory cannot be re-labeled.

## Before and After

---

- › All lot number format shall be standardized into IFX standard format

	<b>Current</b>	<b>To be</b>
