Subject: SPFJ Series Product Label Update

Document Number: LFPCN_PG0137

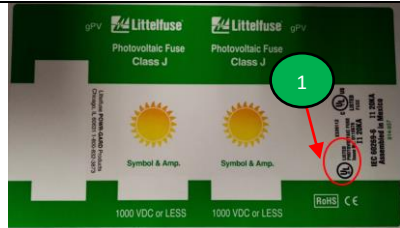

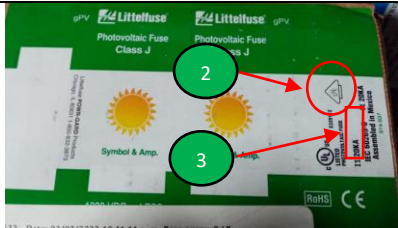

Date: 8th June 2022

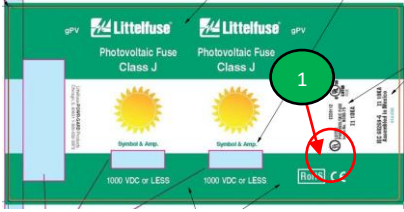

Dear Valued customer:

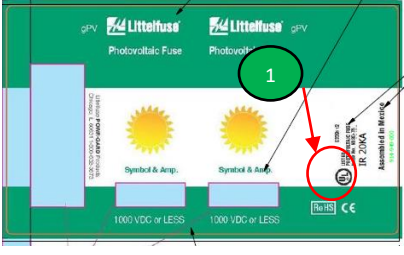

This notice is to inform changes in SPFJ Series fuses product label that is implemented in the manufacturing recently.

Per UL Agency guidelines SPFJ product UL Issue Number was recently updated, during this process we also received additional directives from UL on the label format; this resulted in ongoing changes to our SPFJ Series Product label. Listed below are the changes implemented.

During this transition customer would receive products with varying label formats; this letter is to assure customer that all those labels are acceptable be UL Agency and do not have any impact to fuse electrical or mechanical performance characteristics.
