TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Descriptio	n:
General Product Descriptio AMPSEAL Socket Terminal	

Description of Changes

The Industrial and Commercial Transportation business unit of TE Connectivity is making a minor drawing change to add the wire crimp and insulation crimp dimensions for the product drawing(s) listed below.

Reason for Changes:

Dear Customer, we hereby inform you of this drawing change. The change is necessary to because the dimensions were left off when the new terminals part numbers were added on the previous revision. The change does not impact performance. IMPORTANT: The current and previous revisions of these parts can be used interchangeably in the field. The change(s) are being phased in gradually and previous revision can remain stocked until use.
