**Reason for Changes:**

Customer Request.Dear customer. we would like to inform you with this PCN about introducing a new duplication production tool at our TE manufacturing location in Suzhou. China. The evaluation of new tool is executed by following A strict procedure. Which guarantees no negative influence on quality , ability to supply and form-fit-function of the concerned products. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance. Upon request, a PPAP Level 2 will be available if it concerns a transfer of a tool which produces a finished TE-product. A PPAP Level 1 will be available if it concerns a component of a TE-product, where the production location of the finished TE-product remains unchanged. If you require such a PPAP, please notify the responsible TE Sales Contact within 14 calendar days after receipt of this PCN
