**Subject:** 【IMPORTANT】 HRS Notification ◆ Business 430-22001 ◆

Hello Future,

Thank you for your daily support to HRS.

The previous official document 430-21018 notifying Toray Corporation of whether the UL certification was unqualified was confirmed as follows:

1. Announcement from Toray

(1) For all applicable materials for which inappropriate acts were made in FUS (follow-up service) in the past, **it has been decided that the existing UL certification registration is unchanged as it is.**

(2) Even for grades for which inappropriate acts were not made, UL certification registration is unchanged as it is.

2. Impact on Hirose

**As UL certification registration of Amilan/TORAYCON is unchanged, there is no impact on UL certification registration of our products using Amilan/TORAYCON. We continue to supply our products using the applicable materials.**

Thank you

Ariel

Impact on our products by Inappropriate Identification on  
Nylon resin Amilan and PBT resin TORAYCON of Toray Industries, Inc.

Toray Industries, Inc. (Hereinafter Toray) announced followings about Nylon resin Amilan and PBT resin TORAYCON (Hereafter Applicable materials) that were improperly identified as receiving certification from Underwriters Laboratories, a third-party safety science organization in the United States (hereinafter, "UL").

We are writing to inform you of the impact on our products.

1 Announcement from Toray

As a result of discussions between UL and Toray regarding the handling of UL certified applicable materials, Toray received the following conclusion from UL.

- (1) For all applicable materials for which inappropriate actions were made in FUS (follow-up service) in the past, it has been decided that the existing UL certification registration continues as it is.
- (2) Even for grades for which inappropriate actions were not made, UL certification registration continues as it is.

2 Impact on our products

From the announcement from Toray that the UL certification registration of the applicable materials continues, there is no impact on UL certification registration of our products using the applicable materials.

We continue to supply our products using the applicable materials.

If you should have any questions, please feel free to contact a Hirose business representative.

Your understanding and cooperation are appreciated.
