Subject: **Subject:** Adendum to PCN88798 -20221004 Sensirion Info Letter: Production Relocation Sensor caps for SDP6xx/8xx Products

Dear Sensirion Channel Partners,

Please kindly also note the enclosed Sensirion Information letter regarding production relocation of optional Differential Pressure Series SDP6xx/8xx sensor caps from Nänikon, CH to Debrecen, HU.

As basic starting point, you will also find the information letter to SDP products itself, shared in March 22.

Now also the sensor caps have to follow:

Vendor code: 1-101108-01 MPN: SDP600/800-Cap

For any open order, please kindly consider the resulting Incoterm and logistics condition change, see addendum attachment.

In case of any further questions, please do not hesitate to contact your local Sensirion channel manager or myself.

Thanks for your considerations.

Best regards,

Florian Hirsch

Florian Hirsch 

Director Channel Sales

SENSIRION AG

Addendum to Infoletter: 214401**Date: 03.10.2022****Title: Manufacturing Transfer to Sensirion-owned Production Site in Debrecen, Hungary****Product Identification:**

SDP600/SDP800 series cap / Material Number 1-101108-1

Reason for Change:

- | | | |
|--|--|------------------------------------|
| <input type="checkbox"/> Design | <input type="checkbox"/> Production Capacity | <input type="checkbox"/> Logistics |
| <input checked="" type="checkbox"/> Manufacturing Location | <input type="checkbox"/> Quality/Reliability | <input type="checkbox"/> Upgrade |

Change Description:

In Q1 2022, Sensirion informed about the production line relocation from Sensirion Stäfa (Switzerland) to Sensirion Debrecen (Hungary). For details on the transfer, please refer to our Infoletter 214401.

In the context of this transfer, we inform you that the SDP600/SDP800 series caps will also be shipped from Debrecen, Hungary, in the future.

No changes will be made to the cap as part of the transfer. It will continue to be manufactured in Germany by the same supplier as before. Therefore, the country of origin will not change (Germany). In future, this supplier will deliver the goods directly to the Sensirion production site in Debrecen. From there, it will be shipped to our customers as usual.

Identification Method to Distinguish Change:

Not applicable

Qualification Data:

- | | | |
|------------------------------------|---|--|
| <input type="checkbox"/> available | <input type="checkbox"/> will be available in | <input checked="" type="checkbox"/> not applicable |
|------------------------------------|---|--|

Samples:

- | | | |
|------------------------------------|---|--|
| <input type="checkbox"/> available | <input type="checkbox"/> will be available in | <input checked="" type="checkbox"/> not applicable |
|------------------------------------|---|--|

Quantifiable Impact on Quality & Reliability:

- The parts and materials are not affected by the transfer, so there is no impact of reliability. The quality is guaranteed by same process procedure as used until now.

Conditions and Logistics**Customers within the EU:**

Sensirion AG in Switzerland remains your contractual partner. Debrecen (HU) is a pure production site. Therefore, no deliveries to companies in Hungary are possible. Shipments to the EU (except Hungary) are possible.

For legal regulations connected to VAT rules, Incoterms will change from FCA, Stäfa (CH) to DAP, your location within the EU. The logistics costs will be charged separately from the product price.

Customers outside of the EU/ Rest of World:

Sensirion AG in Switzerland remains your contractual partner. Debrecen (HU) is a pure production site.

Incoterms will change from FCA, Stäfa (CH) to FCA, Debrecen (HU).

Estimated Implementation Date*: With immediate effect

** The Estimated Implementation Date is the forecasted date that a customer may expect to receive changed product. This may be affected by fluctuations in supply and demand.*

Sensirion Contact: Your existing contacts remain in charge, no change of contacts in connection with the production transfer.

Schedule for Production Transfer of SDP5xx/6xx/7xx/8xx Sensors From Stäfa (CH) to Debrecen (HU)
