TE Connectivity

Product Change Notification: P-22-023437

PCN Date: 06-OCT-22

Customer: Future Electronics(0000080100)

Location: WORLDWIDE

Agreement: Agreement Unknown

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Mezlok connectors

Description of Changes

Changing the .36 dimension on the customer drawings to .23 +/- .13. This dimension depicts the distance between the tip of the solder balls and the standoffs on the bottom of the connector. The old dimension did not take into account the deformation of the solder balls during their attachment to the connector contacts. We have conducted a soldering test on specimens on the lower end of this new tolerance range and found that the parts adhere acceptably to the PCB solder pads. We have also begun 100% screening for this dimension, in addition to the coplanarity checks we already perform. No change has been made to the product.

Example of drawing change

Reason for Changes:

New specification.

Estimated Dates:

Last Order Date (Obsolete Parts Only):

First Date To Ship (Changed Parts Only):

07-OCT-2022

Last Ship Date (Obsolete Parts Only):

Last Date for Mixed Shipments: (Changed Parts Only):

No Mixed Shipments
