

2 Westbrook Corporate Center
Westchester, IL 60154
United States

To Whom It May Concern,

This is to inform you that Essentra has made the decision to obsolete the part numbers called out on the following sheets. You are being notified because you have ordered one or more of these products in the past as shown in the attached complete purchase history since the start of 2021.

This is due to our globalization of the complete Essentra product offering as we merge duplicate part designs into one single part number going forward. These replacement parts meet the specification of the parts they are replacing.

This change will take place on November 28, 2022; when we will no longer offer the products under the old part number. During this notification period, the old part number will be available to place a last time order against and must be taken as soon as possible.

If you have further questions, please speak with your sales contact.

Best Regards,

Greg Mifsud

Greg Mifsud

Director of Products & Pricing
