Notification about the additional manufacturing label due to manufacturing management site change

This is to inform you of the label change for a part of our Magnetics products. The Magnetics Business Group of TDK Corporation has been outsourcing the processing of a part of our products through TDK-Hong Kong in China, and we have decided to change the manufacturing management site of the outsourcing partner from TDK Hong Kong to TDK Xiamen due to a reorganization of production sites.

Concomitantly, there will be no change of the outsourcing partner, but the manufacturing label will be added on product packaging. Furthermore, the name of manufacturing management site on the shipping label attached on product packaging will be changed from "TDK HONGKONG CO., LTD" to "TDK XIAMEN CO., LTD".

If you have any inquiries regarding this subject, please do not hesitate to contact our sales representative by January 31, 2023. We sincerely appreciate your kind understanding and cooperation.
