

Change Notice

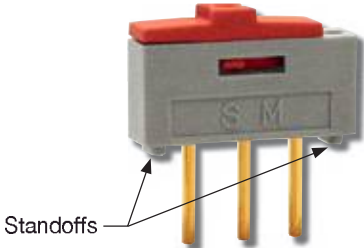

SM Series

Changes to Standoffs on SM Series Slides

Type of Change:

- Engineering Part Number
- Product Appearance

SM Series ultra-miniature slides will be undergoing changes. The revision will be a modification of the standoffs on the bottom of the switch body for both standard and custom switches. This change will not effect any other part of the switch, or its mechanical or electrical specifications. The part number for the effected standard switch is shown below.

SM Series Slides will have Changes to the Standoffs

	Before Change	After Change
<p>Changes to Standoffs on Switch Base</p> <p>Scale: 2/1</p>	<p>Side View Bottom View</p>	<p>Side View Bottom View</p>

Notes

There are no changes to the switches' mechanical or electrical specifications. Contact information is below if more details are needed.

Effected Standard Part Number

SM0320102

Effective Date

Changes to standoffs on SM Series Slides will be effective June 2023.
