Product Migration Notification Date: Jan. 31, 2023 Dear Sunon Customer,

As a valued Sunon customer, you have our commitment to provide you with the highest quality technologically advanced products. We pride ourselves in being a leading fan manufacturer serving customers like you.

Sunon is pleased to announce 000U series will be migrating to 1000U series. 000U product designs; all new designs should start with 1000U series. 1000U series generally have lower prices. Items will be available for a last time buy date by the below schedule as well as last ship date.

As a valued Sunon partner, please cooperate with us to ensure a smooth transitional process. We will do everything within our capability to make the migration as painless as possible. Not only will we support your Top SKU consumed during 2022, we will also like a collection of your input to determine if we can support the year end. Please contact your designated Sunon representative or regional sales manager to discuss your current project or extend existing part number shelf life. We are very grateful for all your cooperation as Sunon advances towards the global technical ideology.
