Withdraw and re-application of PCN at Power Diode

Thank you for your cooperation in expanding sales and recommending power diode , and PCN/EOL activities.

Regarding "No.4023002 Additional approval request for PMDU(M) 〈SOD-123〉 at China (Tianjin) factory", there were P/N faults registered, so we have decided to withdraw it once and re-issue a revised version. We sincerely apologize for any inconvenience.

There is no problem with the list of P/N, but there were P/N mistakes where some registered and some were not registered. (See the attached.) Therefore, we will withdraw the current application No. 4023002 and resend a revised version. We apologize for the inconvenience.

【Target P/N, and Not registered P/N in ROBIN】
