The content of the CONTACT will be concise.

Please refer to the corresponding successor model table and specifications of the successor model on the web.

<Reason >

It is expected to take up 20 to 30 pages just to list the models to be discontinued.

It is difficult to search for applicable models in 20-30 pages.

(It is easy to search on the web)

(1) UL Listed Products (Applicable to M series)

- Since the part numbers of the new Non-DP items will be changed, it is necessary to obtain a new UL certificate (UL61058-1).
- Although the new Non-DP series will be newly certified, the certification is expected to be obtained after the start of sales (around March 2024).

*Special orders for the old UL (UL1054) can be considered (e.g., M-2012UL → M-2012-XXXX).

(2) Orders for current items (DP-containing)

- All orders should come to NKK by Friday, 6/30/2023.
- All the back orders we currently have will not be affected.
- There is a possibility that not all the last buy requests will be fulfilled due to the availability of DP material since the supply of DP material has stopped and NKK will use the inventory of DP material.

(3) Selling price and price list for Non-DP items

The price will not change for Non-DP series.

The price list (data) will be available by the end of May.

(4) Regarding the specified delivery date after May 2024 for existing orders of current products

Basically, we request that the need-by delivery date be moved forward.

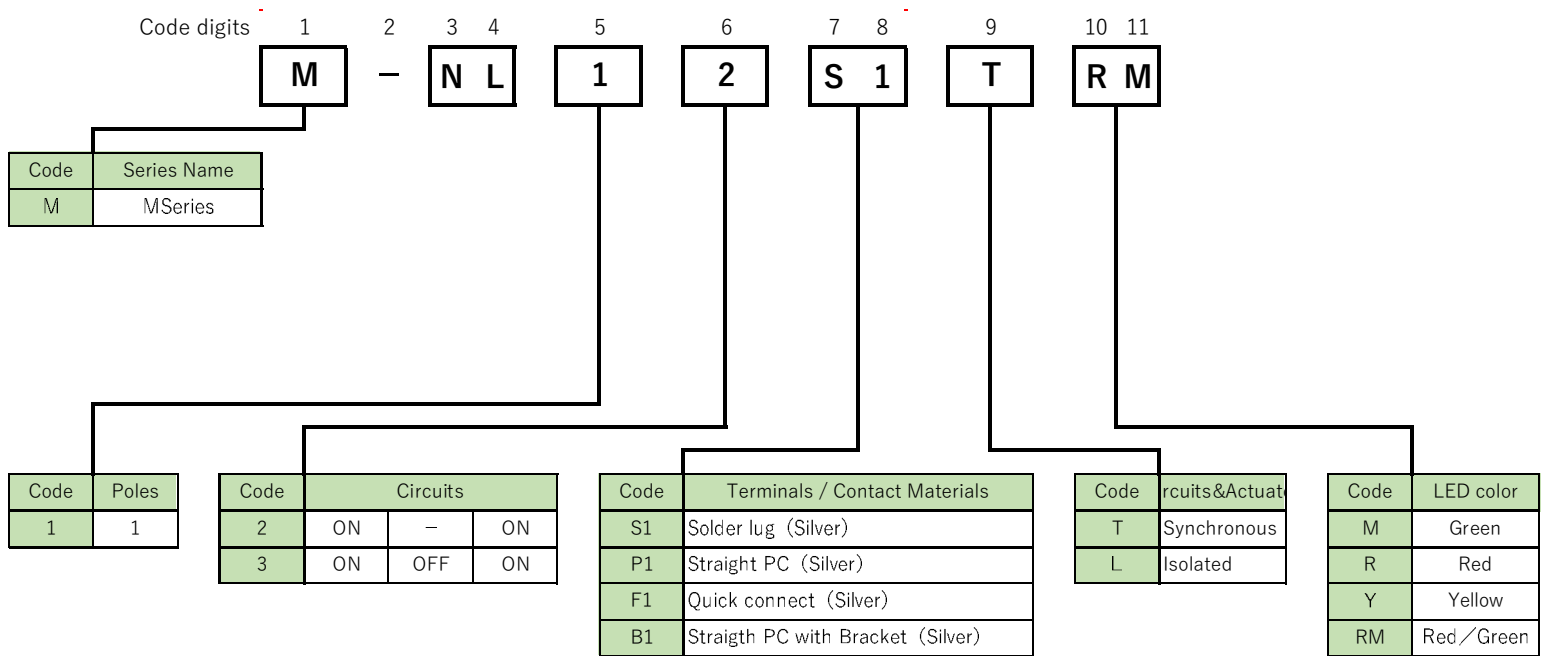

(5) Response to a question if DP is contained before issuing CONTACT in May

Please respond to a question only related to whether DP is contained or not.

The details will be responded in writing (CONTACT) in mid-May or later.
