Hirose Electric Co., Ltd.

Notice of relocation of production location and request for consent

Dear Sir and Madam,

We truly appreciate your continued patronage.

Due to the relocation of our Koriyama factory,

the production location of the items we are producing will also be relocated.

We would like to inform you in advance and ask for your understanding

**1. Target product**

Please refer to the separate document for more details.

**2. The contents of change**

**【Place of production】**

Current address :

87-3 Okawara, Koriyama City, Fukushima Prefecture (Koriyama Central Industrial Park)

New address :

1-16-1/19 Kamiizushima, Koriyama City, Fukushima Prefecture  
(Koriyama Seibu Daiichi Industrial Park)

**【Reason for relocation】**

At our Koriyama Factory (Fukushima Prefecture), we plan to move to a new factory (in Koriyama City) in order to build a system for increasing production of connectors for automobiles and general industrial machinery and to strengthen business continuity planning (BCP) by avoiding disaster risks.

**【Change range】**

Due to the relocation to the new factory,

the production location of the items produced in the current factory will be relocated.

There are no changes to facilities or management systems.

**3. Timing of change**

A new factory is currently under construction and is scheduled to start operation in May 2024.

**4. Confirmation of consent**

We apologize for the inconvenience, but after moving to the new factory, we would like to start delivering products that are ready for production. Therefore, we would appreciate it if you could let our sales representative know whether or not you agree with the proposal by the end of November 2023.

(Please be aware that if we do not receive a reply by the due date,  
we will proceed assuming that you have consented.)

If you have any questions or individual requests, please contact our sales representative.
