Subject: UL Reinstatement of Optoelectronic Isolators to File # 58730

Dear Valued Customer,

TT Electronics Sensing and Control Optoelectronics Business Unit is pleased to announce achieving UL recertification of its optically coupled isolators previously unlisted from file number 58730 (See announcement dated 12/28/2014).

UL has advised us that the update to the file on UL's website is expected to be completed by 03/06/2015. In the meantime, the attached "Notice of Completion and Authorization To Apply The UL Mark" has been issued for part numbers listed in Attachment I.

TT Electronics regrets any inconvenience this temporary de-listing may have caused and looks forward to your continued business for our UL certified optoisolators.

Sincerely,

Our Reference: File 58730, Vol. 1 Project Number 4786646296  
Your Reference: 2065756  
Project Scope: REINSTATE E58730 VOLUME 1 WITH STANDARD UPDATE TESTING

Dear Cosmin Suci:

Congratulations! UL's investigation of your product(s) has been completed under the above Reference Number and the product was determined to comply with the applicable requirements. This letter temporarily supplements the UL Follow-Up Services Procedure and serves as authorization to apply the UL Mark at authorized factories under UL's Follow-Up Service Program. To provide your manufacturer(s) with the intended authorization to use the UL Mark, you must send a copy of this notice to each manufacturing location currently authorized under File 58730, Vol. 1.

Records in the Follow-Up Services Procedure covering the product are now being prepared and will be sent in the near future. Until then, this letter authorizes application of the UL Mark for 90 days from the date indicated above.

Additional requirements related to your responsibilities as the Applicant can be found in the document "Applicant responsibilities related to Early Authorizations" that can be found at the following web-site:  
<http://www.ul.com/EAResponsibilities>

Any information and documentation provided to you involving UL Mark services are provided on behalf of UL LLC (UL) or any authorized licensee of UL.

We are excited you are now able to apply the UL Mark to your products and appreciate your business. Feel free to contact me or any of our Customer Service representatives if you have any questions.

Very truly yours,
