

Product Change Notice

Alps PCN: TY03032020_Packaging Change

Date: March 3, 2020

Type of Change: Packaging Change

Title of Change: 2020 Notice of Packaging Change_TSW

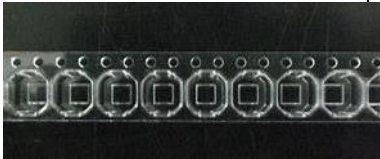

Description of Change: Due to the thermal deformation problem of the current emboss taping packaging. Alps would like to implement a new emboss tape material for higher thermal durability.
 Emboss taping material has changed from PET to PS.
 There is no impact for strength of packing box, desulfurization status and environmental status. This change has no impact to ALPS products. It is only for taping material.
