About This Notice:

We are changing the packaging (outer carton) label for several Series of THT (Radial) Film Capacitors. The notable change is the reduction in the amount of ink printing on the outer carton in order to reduce the risk of non-compliance with RoHS. An adhesive label (named the C3 label) will still be affixed to the package as it has always been and includes part number, package quantity, serial number information, etc.

Effective Date:

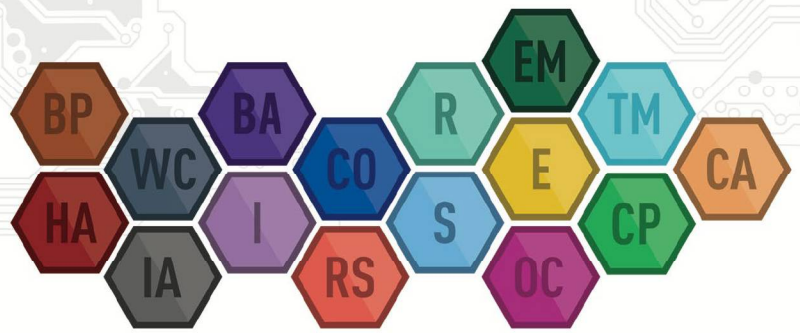

July 1, 2022
