Description of Changes

This is a cancellation of P-22-022526. We did not plan to submit any customer notifications for PCN 22-022526.

Reason for Changes:

Document clarification. This project was meant to be only for Americas region customers. The Die which was planned to be transfer this year from EMEA to Americas region will no longer transfer, due to a large demand increase in EMEA and they need the additional capacity.
