Responding to UKCA marking

By Britain exited from the EU, UKCA (UK Conformity Assessed) marking is required for products of distribution and sales in the UK markets after 1st January 2023.

As we have already mentioned on the existing document (No. GSP21903e), to meet the requirements of the UK market, we will add the UKCA marking in our products.

1. Product Being Changed

All models that CE marking is applicable

2. Description

(1) Marking

To add the UKCA marking in product body or packing label.

The detail of change shows on Fig. 1, Fig. 2 and Fig. 3.

*Except AEA series and LHA10F/15F models because those models have already been applicable.

(2) UK Declaration of Conformity

The latest UK Declaration of Conformity is updated on our WEB sequentially.

3. Effective Date

This action will be applicable from the production after November 2022.

Please be advised that the schedule might be changed without prior notice.

If you have further questions, please feel free to contact sales representative.
