## Product Change Notification

To :

We would like to inform you about our new part numbering system. Due to an increase of our product lineup and expansion of our business to the new market, there is concern that the available characters of describing the part numbers will run out if we continue to use the current numbering system.

### 1. Item

Please refer to the part number table on the next page.

### 2. Description of change

	Current	New
Endurance	No difference	
Category temperature range	No difference	
Electrical performance	No difference	
Mechanical performance	No difference	
Case size	No difference	
Marking	No difference	

### 3. Changed date

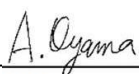

After your approval

## 2. Part number
