

Product Change Notification

Current Date: 02-Jan-2023

TE Connectivity

Product Change Notification: P-22-023797

PCN Date: 19-DEC-22

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

MCON 1.2 CB REC SWS SN

Description of Changes

To continue supporting customer demand it is important that we qualify all global supply sources of product to drive quicker supply chain recovery. The scope is to approve the tool that runs in our China region for parts that are currently purchased to aid in speedy recovery of parts and have a greater ability to service demand spikes in the future

Reason for Changes:

Product improvement. Increase total global supply options for North American customers
