Product Change Notification: PCN-23-173985

PCN Date: 02-MAY-23

Customer: Future Electronics(0000080100)

Location: WORLDWIDE

Agreement: Agreement Unknown

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

See "Part Numbers Transferred to Morocco" attached

Description of Changes

Manufacturing location change. Following Part Numbers will be transferred from our Nowa Wies Leborska, Poland TE Connectivity manufacturing location to our Tangier, Morocco TE Connectivity manufacturing location.

Other attachments:
[Part Numbers Transferred to Morocco](#)
Reason for Changes:

Dear Customer, as a result of our continuous strive for improving our processes, we hereby inform you about a transfer of tools and/or processes. The transfer guarantees no negative influence on quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location is under a certified quality management system according the standard industry requirements. Country of origin will be updated once transfer is complete.
